

PRIME MINISTER · PREMIER MINISTRE

I am pleased to extend my warmest congratulations to coach Isaac Mbedzi and the First Mobile Sports Academy soccer team players for winning the Group B Boys Under-19 Championship at the 33rd Dana Cup international youth soccer tournament in Denmark.

With this victory, you take your place beside other Canadians who have distinguished themselves in international competition through determination and teamwork. I join with your family and friends in commending your performance on the pitch. The event put your skills and character to the test against talented teams from around the world and you came out on top in your category. In years to come, you will look back on this winning experience with fond memories and pride in your accomplishments.

Please accept my best wishes for every happiness and success in the future.
